Fabric Dépôt

Welcome to Fabric Depot. Being a “Reformed Fabri-holic”, I know what it is like to not be able to find a notion or fabric that my heart desires, but I just know “has to be available”! I’ve spent the last 40+ years, searching out nooks and crannies of suppliers, hoping that I’d be able to use some of my research and “finds” to help others such as myself.

Many of you have small businesses and don’t need massive quantities of an item, but you still need to be able to buy at a discount. **Fabric Dépôt** is the place you’ve been looking for! Our catalog has quantity discounts available listed below the items. If you need samples of any fabrics, please write or call and we will be delighted to send them to you (sample fees include continental US shipping and handling.)

Fabric Dépôt has a well rounded line of lycras, tricots, stretch laces, glistenets, powernets, elastics, notions, bra cups, underwires, patterns and much more. We are constantly seeking sources for items needed in the designing and sewing of swimsuits, lingerie, dance, skating and drill team costumes. So if you don’t see it in our catalog, ask us anyway, we just might have it.

Look for **Fabric Dépôt’s 2022** catalog pages online at www.FabricDepotCo.com
Or you can email us at Orders@FabricDepotCo.com

Thank you for your continued patronage. We look forward to hearing from you.

Your Sewing Friend and “*Family*”,

Susan Stacy
